Jarvis Securities plc

("Jarvis" or "the Company")

Directors Dealings

Following a board meeting on 18 May the Company decided to award options over 76,500 Ordinary shares for the Chairman, Andrew Grant, and 50,000 for the Finance Director, Mathew Edmett.

Further options to staff under the share option scheme previously approved by the Members have also been issued. The current level of demand for services for the firm and its performance are a result of the successful team in place and Jarvis wishes to keep this management team committed to the Company. Consequently, options over 230,000 Ordinary shares were issued at the extant mid-price on the day of 175p per share.
